Corona, California
Volume VII

Pretend you're helping me, darling, the teacher's looking !!!

Life's a bummer !!!

Amen

Faster than a flying fish

Ugh, my girdle is killing me

I gotcha!

We're tuff !!

This ain't no air pollutant

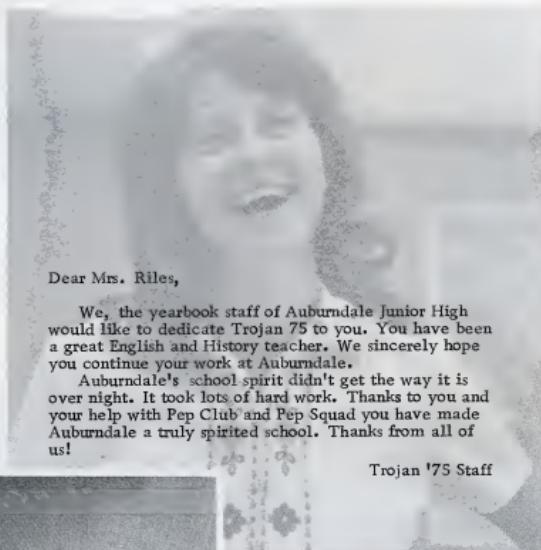

Determination

Hi there !!!

Kris, that's a bad habit

Dear Mrs. Riles,

We, the yearbook staff of Auburndale Junior High would like to dedicate Trojan '75 to you. You have been a great English and History teacher. We sincerely hope you continue your work at Auburndale.

Auburndale's school spirit didn't get the way it is over night. It took lots of hard work. Thanks to you and your help with Pep Club and Pep Squad you have made Auburndale a truly spirited school. Thanks from all of us!
